

## Media combinación

Media combinación is a Madrid classic, often served as an aperitif. Second cousin to the Negroni, it's easy to make, tasty and packs a punch.

### Ingredients

- 1 shot Brokers gin
- 1 shot Punt e Mes vermouth
- 2 drops orange bitters
- lemon twist

### Preparation

- Fill a rocks glass with ice
- Pour in the gin & vermouth, add bitters
- Garnish with a lemon twist.

### Note:

1. You can substitute the Brokers gin with your personal favorite, same with the vermouth (Martini Rosso will work), but it's hard to beat the intensity and flavor of Punte e Mes.
